Conor, the Lord of the Champions, and a Desperate Mission...

Conor, the brave young lad from earth, awakens to a summons from the creators themselves. The Lady of the Light appears before him, requesting his service for a perilous journey. Conor must accompany the Lord of the Crossworlds Champions, Maya, on a mission to repair the corridors, with all of creation hanging in the balance...

Conor finds himself transported to the Glade of Champions, where he meets Maya, Eha, Ajur, Surmitang, and mighty Therion, all Champions of the Crossworlds. After learning about his mission, Conor departs with

Maya and faces terrifying surprises at every stop on his spectacular journey...

Peril in the Corridors, the second book in the *Conor and the Crossworlds* series, sends Conor on a mind-blowing series of battles against the Circle of Evil's finest team of destroyers. In order to give Maya the time he needs, Conor must defeat a human-dragon mutant, a formless entity, and a shape-shifting master of darkness. Infused with the power of the Crossworlds Champions, Conor fights against insurmountable odds at each juncture, only to find his most powerful foe waiting for him at the end of his amazing adventure...

About The Author

Kevin Gerard lives in San Diego, California, with his wife and four children. He teaches sociology and statistics for the California State University.
